

ADMISSIONS INFORMATION

Because our student body is made up of children with a wide variety of backgrounds, interests, skills, and aptitudes, we like to meet with each prospective student during the admissions process. This is why a visit to CPS is important. Not only does it give us an opportunity to meet the candidates and get to know them at an individual level; but it also gives both the parent and child an opportunity to see the campus firsthand.

Admissions Process and Requirements

1. Campus visit
2. Compliance of all required documents listed in the "Admissions Checklist"
