“Your grant was the first to a school in Puerto Rico. We have given to 1 or 2 other NAIS Caribbean schools, but were particularly passionate about your grant request. Hopefully, the support will have a meaningful impact.” The Benedict Foundation

Benedict Foundation Mission Statement

The Benedict Foundation for Independent Schools is organized to exclusively benefit independent secondary schools in the United States. Emphasis is placed on well-established with steady or growing enrollment which lack substantial financial resources of their own. Challenge grants are preferred for purposes of improving academic programs, scholarship aid, building programs, faculty salaries, faculty enrichment, or other programs to improve the quality of the school's educational activities.
