June 2011

Dear CHS Parents:

I hope that you are having an excellent vacation with your children. Hopefully we will all be energized for an exciting new school year.

Posted on our school website: www.cpspr.org, you will find the important forms that must be filled out and returned on August 9, 2011, the first day of school. You will find these forms in the **link of "CPS FORMS"** located at the left side of the webpage. When you click on this link it will lead you to the links: **Enrollment Forms and CHS Beginning of Year Forms.** By law we cannot accept students who do not comply with these requirements. It is also important that all students buy the correct uniforms, jackets and supplies as described in the Student Handbook.

Summer math and summer reading lists and assignments are also available on our web site.

These must be completed for the first day of school. Teachers will evaluate the novels or writing assignments through book reports, panel discussions, guide questions, tests or other special projects during the first week of school.

I also exhort you to help your children start to plan community service projects for this coming year. Together we can truly make a difference in our different communities. Remember that each grade level has a number of hours that must be completed and certified on a yearly basis. Eighth and twelfth graders should be aware that this is a requirement for graduation.

I look forward to working with your children in this educational environment that is so unique. Continue having a great summer!

Sincerely,

A handwritten signature in blue ink that reads 'Evelyn Collazo'.

Ms. Evelyn Collazo

Director
